Headteacher: Mr John Logue

Dear Families and Friends,

It does not seem like a week since I accompanied Class One to Flamingo Land. What a fantastic experience that was. I am also delighted to share with you that they really did themselves proud, as I have received a comment, from a member of the public, as to what great ambassadors for the school they were, such was their excellent behaviour and manners. It does also show that people do notice a school on a trip too!

Whilst we were out, Class Two had a visit from a 'real life' Polar explorer, Bill Ford was kind enough to share his experiences with them and add to their excellent learning

As you will be aware we have had the main gate replaced at the children's entrance to school with a shiny new one. This allows the whole school site to be more secure. If you need access to the school when the gate is locked please come to the front door and simply ring the bell.

We also hope to be launching our new school website within the next week, this will be easier to view on phones and tablets and will have an app feature that will allow quick contact with school. It should also allow you to stay up to date with all the other exciting things happening in school.

As always if there is anything we can do to help and support your child in school, please let any member of staff know.

Have a good weekend.

Mr Logue

Dates for your diary

Friday 17 February 2017 – Break up for half term

Monday 27 February 2017 – Back to School

Thursday 2 March 2017 – World Book Day

Next Week

Monday 13 February

Other news.....

Check out www.coastival.com for full listings of what's on the weekend of 18 and 19 February in Scarborough. Events are suitable from age 5 upwards and include storytelling, music and a fantastic creation of a virtual Scarborough created in Minecraft. You can even create your own Minecraft head from cardboard. A leaflet has come home with week with details.

The law changes with regard to car seats for children on 1st March 2017. However, it doesn't affect seats already in your car so no need to rush out and buy a replacement. The change is in relation to the manufacture and affects all new seats on sale. More details on-line here:

<https://www.gov.uk/child-car-seats-the-rules/using-a-child-car-seat-or-booster-seat>

Bonus Ball draw number sales have slowed down and we still have lots of numbers left. Please consider having one! See Mrs Wright in the playground or e-mail the admin@bromptonsawdon.n-yorks.sch.uk and we can let you know which numbers are available and how much you need to pay. Thanks to all those that are already supporting this fundraiser. Mrs C Barker won last Saturday.

Cold weather doesn't stop the children being out in the playground at breaks and lunchtime, unless of course it is icy. Please make sure they have a hat and some gloves with them to protect their head and hands.

World Book Day is celebrated at School on Thursday 2 March when we get back after half term. Plenty of time to think of which book or poem character you would like to dress up as for the day!

Class 3 Media Centre Visit – please log into ParentPay to give your consent by Friday 17 February

Class 2 – Arctic Explorers

Last Friday we had the great pleasure of having Mr Ford come into Class 2 to talk about his experiences on his Arctic Expedition. He had the children enraptured with his tales of wolves and wolverines, fires and freezing temperatures and his successful mission of reaching the Brooks Mountain Range. The children loved the opportunity to try on the kit used to maintain his

warmth in incredibly harsh conditions. Mr Ford brought his time in the Arctic to life and the children have not stopped talking about it since, a real treasure trove of tales. Thanks Mr Ford!
