

Curriculum knowledge, resources and enrichment

-As part of the curriculum, children explore a range of different global issues such as:

- use of water
- climate change
- recycling
- renewable resources
- conflict and resolution
- conservation

-through termly Class topics, pupils also experience a range of lessons in order to build Global Capital. These include:

- Stories from around the world
- Music, art and dance from around the world
- Studying the UK, Europe and worldwide geography
- Studying the history of the UK, Europe and the rest of the world
- P.E instructions or the register given in other languages
- Creating recipes from other cultures
- Festivals, traditions, beliefs and celebrations from around the world

Brompton and Sawdon Community Primary School

A Global Outlook

British Values

- Pupils' knowledge is developed through weekly assemblies which explore each of them.
- These values are considered and compared on a global scale, recognising and considering similarities and differences.
- We aim for the children to have a clear understanding of what it means to be British and be able to understand Britain's global impact, influence and issues.

Fundraising

- We encourage our pupils to make a difference. School supports various global charity and fundraising initiatives.

School Pillars

Through reference to our school Pillars, we intend that all pupils are equipped to be global citizens who take responsibility, care, are knowledgeable, and make a difference on a global scale

Spiritual, Moral, Social and Cultural education

- The similarities and differences between citizenship on a local and global scale are explored.
- The moral issues affecting issues and dilemma around the world are explored.

Links with other schools

- We are currently looking to develop links with other schools across the globe, in similar and very different settings.

Rural Aspirations

-Pupils' aspirations and ambitions are developed through dedicated weekly assembly / a modern, global curriculum. Doing this on a global scale broadens horizons and raises aspirations. Aim high-aim global!

News and achievements

- All opportunities are taken to explore global news and achievements, through assemblies and PHSE lessons, doing this through the lens of our Pillars and British Values.
- Big questions are posed to make the children reflect, consider and present their thoughts, making links between local and worldwide issues and communities.
