Hello everybody,

It's been **Children's Mental Health week** this week and school has been alive with events, celebrations and acts of kindness. It has been important, throughout the year, to teach the children ways to look after their mental health. You will often see meditation, colouring, fresh air, and trying something new being promoted through the PHSE curriculum and assemblies. Many things which we might not think are concerning can actually be daunting for our children. At all times they are encouraged to talk about things that worry them or things that they are nervous about. Seeing the children set off to Young Voices, or at the football matches last week, with smiles on their faces was great to see – especially as many of them had already said they were quite nervous about it. Hopefully this focus on supporting each other (our Family Pillar) and developing the willingness and tools to face new challenges (our Ready to Fly Pillar) will equip our children well for the future. This is one of the reasons that we try to cram as many new experiences for the children as we can within our curriculum and school week, each one building on our school pillars.

Following on the theme of outdoor learning, I have attached the **plans for the front and rear of school** below. As you can see, we are keen to maximise outdoor learning and open up spaces for a wider range of activities. Apologies to any graphic artists or designers out there!!! Please put the dates of our working party evenings in your diaries – 8th and 9th of March, 3:30-6pm. it would be great to get as much help as possible.

Giving parents and families opportunities to get involved with school is extremely important to us. It has been amazing to see so many of you in school this week: **Young Voices; Stay and Learn; Wake up Breakfast** and **Parent lunches at Brompton Bistro** have all been really well attended. Thank you.

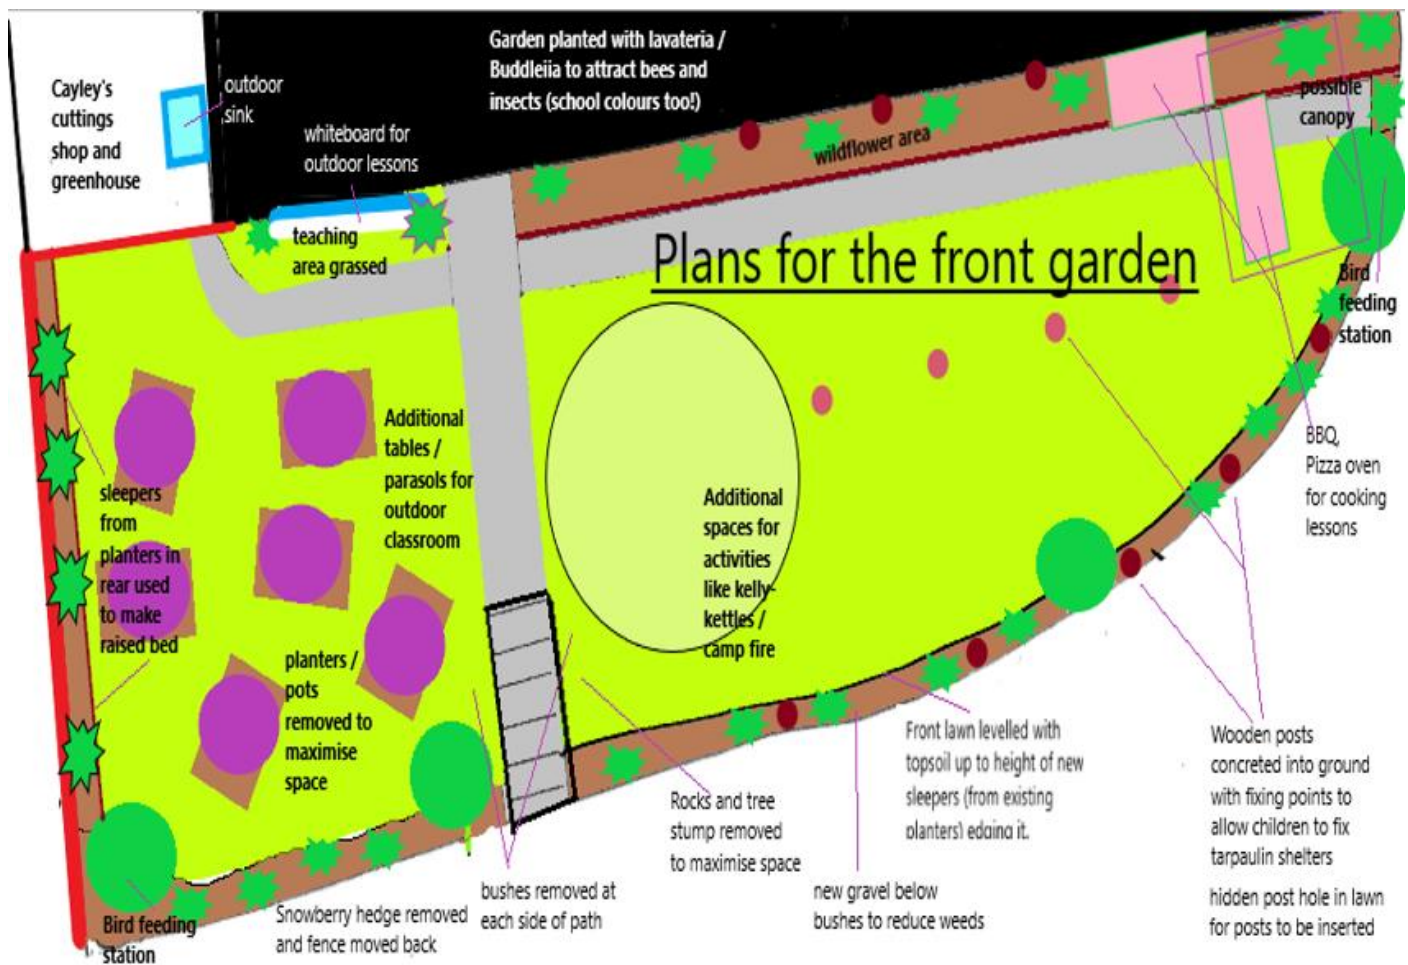

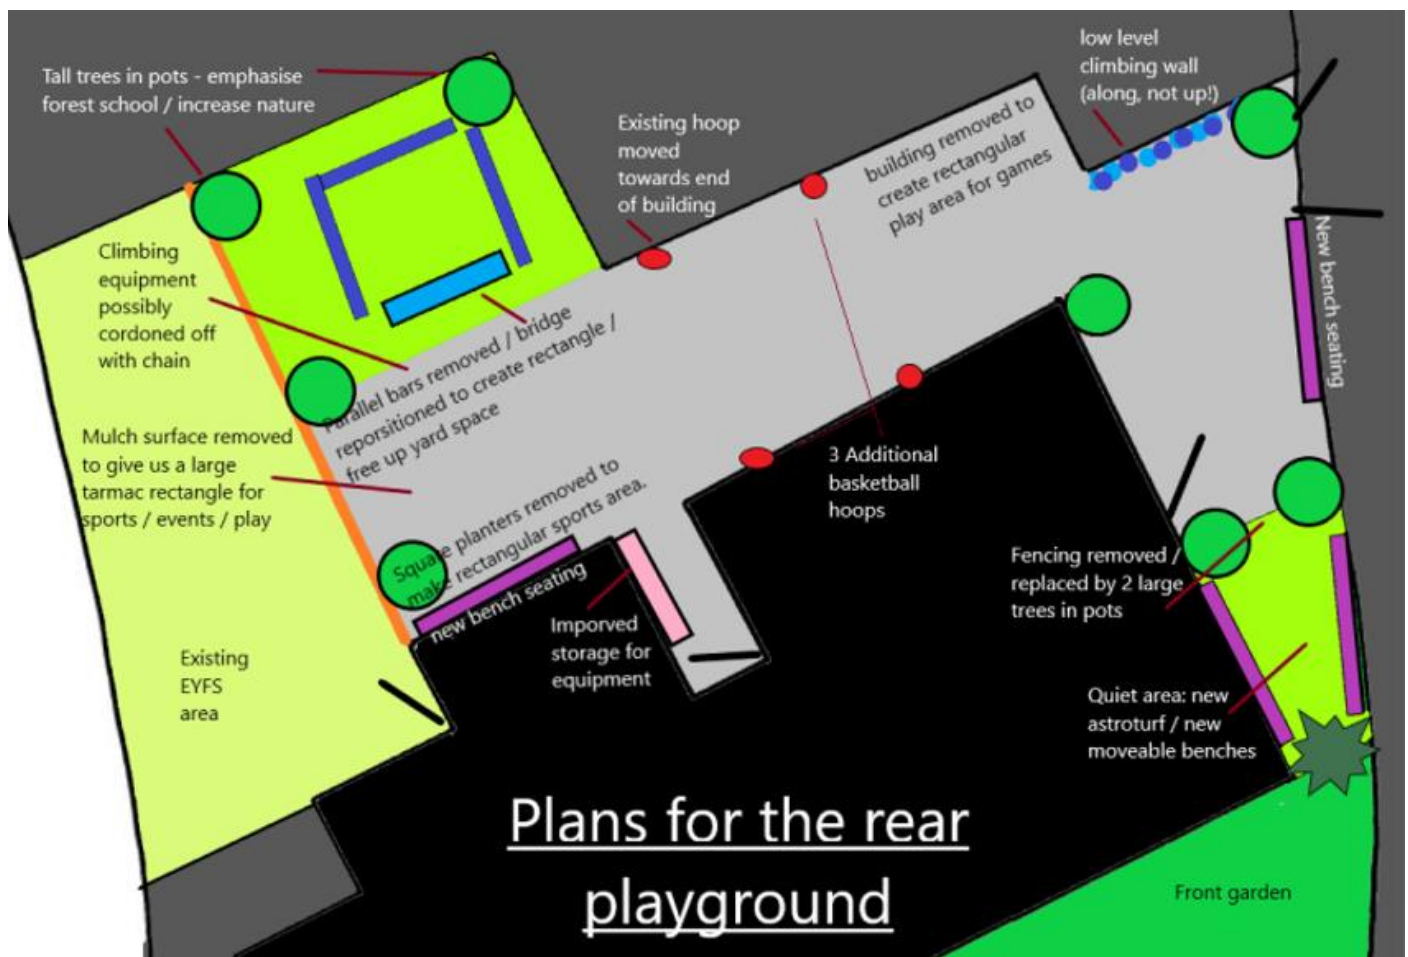

This week, following our **Attendance audit by NYCC**, everybody will be receiving an attendance report for their child/ren, alongside some helpful Frequently Asked Questions. If you have any further questions, please let me know.

Next half-term, as part of a **Healthier Schools project/focus by NYCC**, we will be reviewing how we can make our school a 'healthier' place – from exercise to rewards to lunches. Your feedback on this will be much appreciated.

As always, if you have any questions, ideas or concerns, please don't hesitate to contact me. They will be very much valued.

Have a great half-term holiday,
Mr R

RAG BAG COLLECTION

When everyone first got on the bus they wouldn't stop talking so it was really loud. But it died pretty down pretty quickly. After a while everybody got abit bored so everyone kept whining. After that a few that we got really hungry so it was really hectic. Eventually we got there to the stadium and as soon as we got

got there we went straight to our seats. We sat in our seats for 1 hour and then we started our rehearsals, it was from 2:00 - 5:00.

After the rehearsals we had our tea and then it was time for the

concert! Our conductor David helped us sing all our songs, the first song was over the hills. Then a lady called Gigi said hello to parents and choir and we did another song and some beatboxers came on and beatboxed with a famous violinist called Ana Phoebe it was really good and then we did some more songs as to eventually when we had done a few more more songs and also one of our last songs was Proud by Heather Small. Our last song was Nile Rodgers disco party and after that we all flooded the out the stadium and then we got on the bus back to Brompton. Most people went to sleep but a few people were still talking when we got back it was around 11:30 and then we all went home! But overall it was an amazing experience and it was amazing.

PARENTAL FEEDBACK

"A huge huge thanks to Mrs Davies, Mrs Sadler and Mr Agar for taking the children yesterday, it was an amazing experience for them and the show was spectacular. I really want them to know my gratitude to them for taking their time out of their home lives to do that for the Children."

"We just wanted to pass on our thanks for giving the children the opportunity to go to Young Voices. What an amazing experience, which I'm sure they will remember for years to come. It was wonderful to watch them all singing their hearts out with their friends. Please pass on our thanks and appreciation to everyone involved. And good luck with some very sleepy children today!"

If you would like to help with fundraising or would simply like to have a chat we meet every TUESDAY morning in the school office straight after drop off for half an hour.

This week's attendance

The government expectation for all schools is **96%+** attendance.

- This week our school attendance was **93%** (-4% verses last week)

- Our attendance for this academic year so far is **95%**
As you can see, our attendance so far this year is currently below what is expected. Please support us by ensuring that your child attends as much as possible.

Every day missed really does impact hugely on the children's learning.

Attendance letters have been sent home with all children this week.
