admin@bromptonsawdon.n-yorks.sch.uk **Headteacher: Mr. G Robinson**

Hello everybody,

As discussed last week, on Monday you will receive the initial letters and information regarding the upcoming **Parent Governor elections**. Although undoubtedly a commitment, it's also a great opportunity to shape the future of the school, learn more about our processes and curriculum, and hold me to account! Governors are often referred to as *critical friends*, and are a massive part of making the school run as well as it does. Please contact Mr Ford, our Chair of Governors, should you wish to find out a bit more about the role or have any further questions.

Thanks to those who have said that they can give us some help at the **garden working parties** next week. If you could possibly come down to school (or know somebody who could and you would like to nominate!) between 3:30pm and 6pm on the 8th and 9th of March, it would be very much appreciated. After-school Gardening Club will start from 15th March.

We are currently further enhancing our **computing curriculum**. It is striking how quickly this subject has evolved over the last few years, and indeed how quickly some knowledge and skills become obsolete. It has also been striking how comfortable the children are in discussing social media, Youtube and other programs and software. Many are already excited by the thought of working in the industry, no doubt inspired by the whole range of 'Influencers' and celebrities that they come across when on the internet – even with parental controls in place. It was therefore timely that we had the following **safeguarding guidance** sent through this week from the UK Safer Internet Centre:

In the modern world many children and adults are seeing live streaming as a valid way of generating low start up income. The rise of YouTube, Twitch, Instagram, and other platforms, have opened up ways of making money that didn't exist before. Now users are able to get opinions, views, and advice across to people all over the world, simply from your computer or laptop. There is no minimum age to these kinds of activities. And people that make a success of YouTube can be as young as primary age. However, this opens up opportunities for those who prey on these channels of under aged people. They encourage them and ultimately try to gain their trust. This requires those in the educational and safeguarding sphere to be able to give good advice to keep them safe whilst pursuing these online objectives. The Safer Internet Centre has produced a page dedicated to mitigating harm for those engaging in these online activities. To find out more please follow the link: <https://saferinternet.org.uk/online-issue/livestreaming-2>

Safeguarding

As always, should you have any concerns, please report these to Mr Robinson (Designated Safeguarding Lead) or Mrs Davis (Deputy Safeguarding Lead) in his absence. You can do this in person, via Dojos, by telephoning the school number on 01723 859359 or by emailing headteacher@bromptonsawdon.n-yorks.sch.uk / kdavis@bromptonsawdon.n-yorks.sch.uk.

Where there are significant immediate concerns about the safety of a child, please contact the police on 999. If you believe the situation is urgent but does not require the police, please call 01609 780780 to make a telephone contact. The Emergency Duty Team can be reached out of hours on this same number.

Don't forget the next **Stay and Read Session** on Tuesday afternoon at 3:10pm! It will be great to see as many of you as possible in school, helping the children to develop that life-long love of reading.

As always, if you have any questions, ideas or concerns, please don't hesitate to contact me. They will be very much valued.

**Have a great weekend,
Mr R**

Last week we shared with you the responses from the children regarding **The Leavers/End of Year BBQ**. Thank you for all your views also. The resounding opinion from all was that we should **KEEP THE ANNUAL EVENT**. We now just need a couple of people to commit please and run this years event. Please could you contact Mrs Hargreaves in the school office to volunteer, and then the reins can be handed over!

The government expectation for all schools is **96%+** attendance.

• This week our school attendance was **96% (+1% versus last week)**

- Our attendance for this academic year so far is **95%**. As you can see, our attendance so far this year is currently below what is expected. Please support us by ensuring that your child attends as much as possible.
