admin@bromptonsawdon.n-yorks.sch.uk **Headteacher: Mr. G Robinson**

Hello everybody,

I've got to start this newsletter by saying a huge thank you to everybody who helped us at the **Garden Working Parties** this week. It was hugely appreciated and made a massive difference. Although the garden might not be pristine at present, it will soon be an amazing learning space for the children!

Thank you for booking your time slots for the **Parent Consultations** next week. Your child/ren's teacher will be able to update you on their most recent assessment scores - hot off the press following the Spring Assessments! They will be able to outline your child's academic strengths and any additional support/intervention that might be planned for Summer term. If you would like to discuss anything further with me, please just contact me via dojos, by phone or on the gate and we can organise this. The teachers are currently reviewing the Spring support plans for **pupils with SEND**. We will organise separate meetings following Easter for these children to discuss the progress made this term and get parent's thoughts/ideas as we shape the Summer plans.

Huge well done to our **netball teams** for their fantastic attitudes, teamwork and enthusiasm this week. We're all really proud of you! I'm looking forward to seeing you all representing the school so well again in your next tournament next week!

I'm also really looking forward to seeing our **Choir** perform for the rest of the school on Monday. They've gone from strength to strength since Young Voices and, just like the sports teams, approach everything they do with such pride and enthusiasm. Giving the children regular opportunities to perform is so important in developing their confidence, something which undoubtedly impacts positively on learning across the curriculum. Feeling part of something like a choir is also great for the children's wellbeing. Mrs Gaskill and I are keen to further increase such opportunities for the choir to perform, alongside drawing upon the wider musical and dance skills of the children. Our pupils are full of creativity and I'm sure that the planned building / development work will further increase opportunities to celebrate these.

Safeguarding

As always, should you have any concerns, please report these to Mr Robinson (Designated Safeguarding Lead) or Mrs Davis (Deputy Safeguarding Lead) in his absence. You can do this by telephoning the school number on **01723 859359** or by emailing headteacher@bromptonsawdon.n-yorks.sch.uk / kdavis@bromptonsawdon.n-yorks.sch.uk, or via **dojos**.

Where there are significant immediate concerns about the safety of a child, please contact the police on 999. If you believe the situation is urgent but does not require the police, please call 01609 780780 to make a telephone contact. The Emergency Duty Team can be reached out of hours on this same number.

As always, if you have any questions, ideas or concerns, please don't hesitate to contact me. They will be very much valued.

Have a great weekend,

Mr R

If you would like to help with fundraising or would simply like to have a chat we meet every **TUESDAY** morning in the school office straight after drop off for half an hour.

FUNDRAISING:

Our Children are a credit to us - always

This week, our children have shown us in many ways, just what a great example they set. **The School Council** spent some time with our **Chair of Governors – Mr Ford** and our **newest Governor – Mr Harrison**. They discussed the role of the School Council, their thoughts and ideas, and how they felt they made a difference. The School Council have also recently carried out a school audit, reviewing how we look in school, and the impression we give to our visitors with regards to being tidy, smart and respectful of our environment that we learn in. On Tuesday, the children spent time with **our local Councillor – Cllr David Jeffels** – lobbying him on a number of issues. And finally the **Wellbeing Team** ran a very successful Secondhand Toy Sale in aid of the **RSPCA** – which raised £100.01. As always, we are very proud of how these young people live and breathe our school pillars of **READY TO FLY, RESPECT, & FAMILY**.

Mrs. Hargreaves Update

As we approach the end of the Spring Term, it is always busy here in the school office. Please keep an eye out all of next week on **Dojo** for regular updates for what next term will look like.

Most calendar dates for events that have been booked are below. As soon as we know our **September new starter** intake, I will publish the transition dates so we can all look forward to welcoming our new children.

Next term's **school menu** will be published next week. As always, if your child has a specific dietary requirement, please make sure that we are aware of it so that we can adapt the menu to suit their requirements. Laura is a real asset to our school, and I am sure you will all agree that her meals are as good as at home – if not better some days!!! I am currently looking to see if we can facilitate our Parents lunch Invitation to be everyday rather than just a Wednesday – watch this space.

I will be starting work on a **Whole School Food Policy** next term, with the intention of implementing from September. Where possible we do aim to create a Healthy School environment. If anyone would like to help with this in particular, then please do let me know.

The Family Questionnaire that has been issued this week, is a vital part of us moving the school forward in all areas of what we do. Your thoughts, feedback, opinions and suggestions are all very much appreciated. We understand that for some of you, it may feel a little 'awkward' to complete – however, we very much do want your opinions, and all responses will be treated confidentially. Please ensure that you complete the questionnaire and bring back to school on your parent consultation meeting. Thank you

Cost Saving – did you know that there are a number of ways to help with your school expenditure? For those of you on a low income, it is definitely worth exploring Free School Meals. [Free school meals | North Yorkshire County Council](#)
Also - remember all children in Reception, Year 1 and Year 2 are entitled to free school meals under the Universal Infant Free School Meal Scheme.

If you use **Buddies**, then why not sign up for Tax Free Childcare? In the government scheme called tax-free childcare, working families can get up to £500 every three months (£2000 a year) for each of your children, to help with the costs of childcare.

[Get Tax-Free Childcare: step by step - GOV.UK \(www.gov.uk\)](#)

Next term's clubs are just being finalised – and will be published on Monday, and then set up on Parentpay to sign up to by the end of the week. Clubs will start w/c 24th April 2023.

Finally, I would really like to enhance the school office (following on from the School Councils audit!!) – brighten it up and re-arrange. However, decorating is not my best skill (well - skill at all!). If anyone would be willing to help with this (oh, and also the staff kitchen), then I would massively appreciate a little decorating working party to come together one weekend. This is something I would love some support with, as I don't want to have to take money from the school budget to improve this area. Please get in touch if you have any time, thoughts and/or enthusiasm!!! Thank you.

Hope this helps.
