admin@bromptonsawdon.n-yorks.sch.uk Headteacher: Mr. G Robinson

Hello everybody,

This next half term (I can't believe there are only 6 weeks left!) is one of transition. The children who will be starting with us in Reception in September will be visiting our school and starting to get to know us better. Our Year 6 children will be also be visiting their new secondary schools, making new friends and starting to get to know how things work in what will be a very different setting. I think that it is in this period that our school Pillars of **Family** and **Ready to Fly** really shine through. We do however recognise that this can be an unsettling period for all of the children and one that can cause a whole range of emotions from excitement and happiness to anxiety and worry. We like to take a personalised approach to supporting them – if there is anything further that you think we can do to support your child, please just come and let us know.

It's an incredibly busy half term. Please look out for the dates of sports days, trips, productions and opportunities to come into school. It will be great to see as many of you there as possible. Next week the Year 6 children will be completing their **sponsored walk** to try to raise some money for their exciting trip to Leeds! And don't forget the **Cake Bake Sale** on Thursday & Friday which includes the Bothams Hamper Raffle (drawn on Friday morning)

Next week the Year 4 children will be tackling the **National Multiplication Check**. This is an online test that all Year 4 pupils have to complete. There are twenty multiplication questions and the children have six seconds to type in the correct answer. This speedy recall is something which we are developing as a school and you will often see the children playing multiplication games when lining up and at the start of lessons. This will undoubtedly remain a focus and any practice that the children can do at home is hugely beneficial. We tend to start at 1s and 10s and then progress to 2s and 5s. We then tackle 3s and 4s as these will help the children to learn their 6s and 8s.

In addition to the Multiplication Check, next week the Year 1 children will be completing their **Phonic Screen**. Again, this is a statutory assessment, designed to measure if the children have the expected level of Phonic Knowledge. As with all assessments, we'll make these a positive and stress-free experience.

Safeguarding

As always, should you have any concerns, please report these to Mr Robinson (Designated Safeguarding Lead) or Mrs Davis (Deputy Safeguarding Lead) in his absence. You can do this by telephoning the school number on **01723 859359** or by emailing headteacher@bromptonsawdon.n-yorks.sch.uk / kdavis@bromptonsawdon.n-yorks.sch.uk, or via **dojos**.

Where there are significant immediate concerns about the safety of a child, please contact the police on 999. If you believe the situation is urgent but does not require the police, please call 01609 780780 to make a telephone contact. The Emergency Duty Team can be reached out of hours on this same number. **PLEASE NOTE: Due to the changes taking place in North Yorkshire, from the 1st April 2023 the new number for anyone to make a referral is 0300 131 2 131.**

Everyone has a responsibility to refer a child when it is believed or suspected that a child:

- Has suffered significant harm and /or;
- Is likely to suffer significant harm and/or;
- Has developmental and welfare needs which are likely only to be met through provision of family support services (with agreement of the child's parent)

As always, if you have any questions, thoughts, ideas or concerns, please don't hesitate to contact me. They will be very much valued.

Have a great weekend,

Mr R

If you would like to help with fundraising or would simply like to have a chat we meet every **TUESDAY** morning in the school office straight after drop off for half an hour.

FRIENDS FUNDRAISING OFFER:

UPDATE: A huge CONGRATULATIONS to Luisa King – Ataiya's mummy – for completing the National Three Peaks challenge last weekend – such a great achievement of resilience, a 'can-do' attitude and 'digging deep' when things get tough. These are all skills and values we try to teach the children.
Thank you to all of you who supported her – helping to raise a fantastic **NOW £50.00 for FRIENDS**.

Summer Fair – 4 July – after sports day

The plans are coming together for the Summer Fair which will take place during and after Sports Day, which will be held at Brompton Cricket Pitch on Tuesday 4 July. We hope as many of you as possible will be able to attend to support the children and the fair.

Refreshments

This year we have decided to sell Cream Teas, these will be available to order and buy on ParentPay prior to the day, they will be charged at £3.50 for one or £6 for two. They will include a scone, jam, clotted cream and a hot drink.

If you would like to place an order please do so before the 27 June. Your order will then be available to collect from the pavilion.

There will also be a section of cakes to buy on the day – if any budding bakers would like to support by baking cakes please let us know.

There will also be a selection of hot and cold drinks available to buy as well as ice lollies.

Stalls

We are planning to run a number of stalls again this year, including glitter make up, lucky dip, guess the name of the teddy, guess the number of sweets in a jar, a tombola as well as a second-hand uniform stall.

We would welcome any donation for the tombola as well as any second-hand uniform.

If anyone would like to run a stall, please let us know and we will be more than happy to accommodate.

This is one of our biggest fundraisers in the year, so we are looking forward to the sun shining, some fantastic sports achievements, and a great family Summer Fair.

If you have any other suggestions, then please do let us know.

Either grab one of us in the playground, or drop us an email at

friends@bromptonsawdon.n-yorks.sch.uk

Mr Johnson popular sports club for our Class 3 children at Brompton Hall School – potentially Football

- ❖ All clubs will be put onto Parent Pay for children to sign up to.
- ❖ If the club is a continuation of a previous term, then please be considerate and allow other children to participate before signing up for a second term
- ❖ All children are expected to adhere to the school's behaviour policy whilst attending the club.
- ❖ If your child continually misses attending club they will be asked to leave so that another child can take their place.

This week's attendance

The government expectation for all schools is **96%+** attendance.

• This week our school attendance was **96% (+4% verses last week)**

- Our attendance for this academic year so far is **95%**
As you can see, our attendance so far this year is currently below what is expected. Please support us by ensuring that your child attends as much as possible.

Every day missed really does impact hugely on the children's learning.
