

Brompton and Sawdon Primary School

Our School Vision

Our school is such a special and unique place to learn. Together, we all aspire to fulfil our true potential, understand each other and follow our dreams. We aim to inspire and nurture, through high quality teaching, learning and experiences within and beyond the classroom.

As a school, we recognise that we are all learners who learn in different ways, as well as the challenges and barriers that can be faced, and are committed to providing everybody with the skills, qualities and knowledge required to overcome these. By building independence, resilience, an ability to try new things, a positive attitude and a commitment to excellence in all we do – we will all be 'Ready to Fly'.

Our ethos is completely child-centred, putting our students at the heart of all the work we do, delivering a curriculum that puts pupils' needs first. Underpinning all of our work are 5 key values/pillars, which we use to help shape our curriculum, preparing every child to succeed in and contribute to the modern world. These values are:

- Family
- Respect
- Nature
- Rainbow (acceptance, diversity and links to William Wordsworth)
- Ready to Fly (our link to Sir George Cayley)
