Headteacher: Mr John Logue

Dear Families and Friends,

Many thanks to everyone who has participated in restating our mission as a school. The views of all the children and parents have been collated and we have a new mission statement which suitably reflects what we are about as a school.

Our School will inspire our children to flourish, to achieve their personal best – through innovation, inquisitiveness and individuality. This is supported within a safe, family environment. Enabling the children to grow and be prepared for future life.

Can I express my most sincere thanks to the many parents who have contributed to the many 'new' items in Class 1 – from workbenches to tractors your contribution is greatly appreciated by everyone in school.

This week the children have been busy planting Crocus bulbs in support of The Rotary Club initiative to support the work to eradicate Polio. We have been delighted to be chosen to be part of this awareness raising programme and will be able to share with you some photos in the next newsletter. There is more information on their website - <https://www.rotarygbi.org/children-get-planting-for-polio/>

I look forward to seeing everyone at our upcoming parent's evenings, spaces still available to sign up if you have not done so already.

As some of our new starters complete their first full term in school it has been a delight to see just how well they have settled into Class 1, I am sure they (and everyone else in school) will enjoy having a well-earned week off and rest after such a positive start to the school year.

Enjoy the half term break and see you on Monday 30th October.

Best wishes

John Logue

Please check our website for future dates on our calendar.

Next School Week

Monday 30 October

3.30 – 4.30 Garden Club for
Yr 2 – 6

School Portrait Photographs will be taken on Friday 3 November. If you would like siblings to be part of the photograph please arrange to be at School for 9am that day. Photograph orders forms will be coming home that day and we expect to have them back in plenty of time for Christmas.

Milk is £10 for the next half term and this has been added to your ParentPay account. Please check your account balance as some over payments have been made so you may not need to pay the full £10 this time.

The deadline for applying for a place at secondary school to start in September 2018 is Tuesday 31 October 2017. Year 6 families are advised to make sure they get their application in before then as late applications are dealt with differently to the ones received by the deadline. The deadline for primary places is 15 January 2018. You can access the on-line application process:

<https://www.northyorks.gov.uk/school-admissions>

During September and October NYCC have been holding events with families to provide an opportunity to talk about the support that is needed for children and young people around SEND (special educational needs and disability) provision. This input is helping to inform the strategic plan for the county.

To build on this feedback they have planned some further events for parents and carers during November 2017. These events will provide an update on progress, which has been informed by the feedback from across the county. Families interested in the SEND provision are welcome on 14th November 12:30 – 14:30 at Scalby Community Hall, Scalby Road, Scarborough, YO13 0RA, to learn more about proposals being suggested for the Strategic Plan.

Our Reception children have had their vision tests this week. Whilst vision has been checked the condition of the eye etc is not checked and it is recommended that all our children take advantage of the free eye tests available to children of school age. Health problems can be detected by regular visits to your optician.

Parents Evenings at School

All classes on Tuesday 7 November, Wednesday 8 November & Thursday 9 November from 3.45pm each day.

Class 3 only is also on Monday 6 November from 1pm until 3pm.

*Don't forget to call in and book your slot!
Remember no art or film club that week.*
