Dear Families and Friends,

## **Welcome back everyone!**

It has been a busy first week back with the children settling back into their school routine, and for our youngest pupils, experiencing a firing week coming to terms with new and exciting daily activities. Everyone has settled quickly and made a great start to the new school year. I have already noted just how well dressed the children are with the correct uniform and plenty of sparkling new black shoes. Thank you for your help in making this happen, it really does make a difference.

May I also extend a warm welcome to families new to the school, I hope you are getting used to the new routines. If you have any questions please do ask, to ensure your child makes the best possible start.

I hope everyone received the email sent earlier this week regarding school dinners and the rise in price to £2.50 per meal. For pupils in Key Stage 2, smaller schools are no longer being subsidised by NYCC and each school kitchen now needs to cover its own costs. I have also written to families impacted by the closure of the childminder in the village and with many thanks to Mrs Mitchell, we are pleased to assure parents that we can offer a wrap round child care service from 8am to 8.45am and 3.30 until 5.30 every day of the week. Please get in touch with me if you would like more details and previously did not use the childminder. Places are very limited though.

As you can see, school clubs will be starting again next week with lots on offer after school. Many thanks to the staff who take the time to run these.

As always if there is anything I can help you with, please get in touch – either at the school gate, by email or by phone. I would be glad to help.

Enjoy the weekend!

## A few beginning of term reminders ...

As we move further into the new school year please continue to ensure that all school uniform is clearly labelled with your child's name and that PE kit is brought to school every Thursday.

## Letters home

It's the time of year when we need to provide you with lots of letters and request information and consent for various activities etc from you – if you could check your child's bookbag on a regular basis for letters and forms and send them back to school promptly we would be very grateful.

## Milk and Dinner Money

For those children who have milk and/or school dinners please ensure that your account is updated regularly to ensure that payments do not fall into arrears. New starters will receive a letter early next week with Parentpay activation codes so that accounts can be set up for any payments and consents required for trips, meals etc.

## Future Dates
