4.00 – 5.00 Golf Club

### Friday 2 February

1pm NYCC Music Guitar lessons

3.30 – 4.30 Sports Club

Dear Families and Friends,

Great to see how many of our children have been involved in sport this week, swimming, Sniper Fitness, golf, football and athletics. Well done to those who represented us so well against other schools. We also have some children who will be ball boys/ girls at the Scarborough Athletic match tomorrow, wish them luck in the penalty shoot-out!

It was good to see parents at the Internet Safety workshop this afternoon, with so much internet access available to children it is reassuring to know that we can help to keep them safe.

If you were unable to join us, there is some helpful advice on their website

<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/>

With thanks to the Stones family, who very kindly downloaded the camera footage, we have DVD's available of the Christmas production "Lights, Camel, Action". If you can let me know if you would like a copy, then I will set about copying them for you.

Have a good weekend.

John Logue

We break up for Half Term on Friday 9 February 2018 and  
come back to School on Monday 19 February 2018 at 8.55am

We will shortly be adding an SMS text facility to our Schools Information Package. This will enable us to send out SMS direct to mobile phones with important updates or reminders. As the text will be sent to the first contact as identified by you in September please ensure that this number is kept up to date. If anyone is not sure who we hold as Contact No 1 for your child please speak to Mrs Allen in the Office to check. As soon as the service goes live we will be able to send out a test SMS message. Hopefully this will be a quicker and more convenient way than an e-mail for many families.

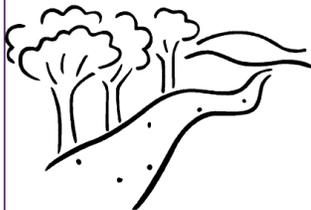

Class 3 have a visit to Eureka planned early in the second half of the term. Letters should be coming home next week with full details.

The balance of the lost and found not claimed will now be going into the Rag Bag. Please make sure you have put your child's name in each piece of uniform so that we can more easily return any lost clothing.

Some of you will have noticed our sparkly new windows being installed at School. We hope to have a complete new set by the end of this term. They are a huge improvement to the insulation and light levels in School.

Film Club has had to be cancelled again next week. Apologies for any inconvenience this may cause.

Our Countryside Quiz is still available to purchase for £1.

The closing date is 28th March 2018 and there are cash prizes to be won if you have the most correct answers.

Mrs Mudd has kindly put together a great selection of general knowledge questions and some clever anagrams to test your skills! Why not have a go?

**Class 2** pupils can tell you all about the very special egg they are looking after. Found on a farm below Brompton but not yet identified, we had to call on the specialist services of the North York Moors National Park Ranger, Mr Moncrieff, to help. He suggested we write to the Natural History Museum in London at the Department of Mythical Objects for further advice.

***Please keep a look out locally and report back to us if you find anything similar!***
