Dear Families and Friends,

After such a white out of a week, it has been wonderful to see the determination shown by everyone this week to ensure we remained open.

As a school, we talk a lot about building resilient learners. The events this week have demonstrated how these skills can be even more useful in real life scenarios. The resilience, dedication and true sense of community has been evident in abundance.

A huge thank you to everyone who played their part, especially Mr Jewitt for clearing the road for us and to everyone who then helped to grit, in order to keep the site safe for everyone arriving and departing school. For all the kind offers of help from so many of you too, I thank you all.

I would also like to thank all the staff, who battled against the weather to get here and to all of class 3, who spent Wednesday morning writing letters to me to explain the benefits of a 'snow day'! (Rather than enduring time in a traffic jam on a coach for school trip)

I know many of you have commented that it has been reassuring to know that school will try to be open when the conditions allow, as it allows you to continue with your own work commitments without having to find alternative childcare.

We could not have done this without the close teamwork that exists between you, your children and the school. It is very much appreciated and valued.

Thank you for all of your ongoing support.

John Logue

Break up for Easter Holiday Thursday 29 March 2018, 3.30pm
Back to School on Tuesday 17 April 2018, 8.55am

We were really disappointed to have to postpone the planned visit for Class 3 to Eureka in Halifax. Despite our best hopes the weather was against us. We have rearranged the visit to take place on Tuesday 20 March. The same arrangements have been made so please plan on bringing your packed lunches for 8am on that day with a late return of 4.30pm, traffic permitting. Your previous payments and consents will be used for this date. Let's hope for spring type weather that day!

Our text messaging service has been really useful this week. Please check you are receiving these messages. We are limited to 160 characters to convey our message so please bear this in mind when reading! If really necessary we will extend to two messages.
