Dear Families and Friends

ROAD SAFETY It is not very often I start a newsletter with a moan but can I remind everyone of the importance to the space outside the school gate. With the recent poor weather it appears as if fewer families are parking the extra few metres away and walking. As a result it is making the journey for others more dangerous. I have been in touch with NYCC about how we can improve the area in view of safety but in the meantime I would ask everyone to be more mindful and careful when dropping children off. For just a matter of seconds it will ensure the safety of children and adults.

Our Junior Road Safety officers will be sharing this message next week in school too.

MATHS CHAMPIONS A huge congratulations to Class Three, who were crowned North Yorkshire Sumsdog champions. A fantastic accolade and to answer 1000 maths questions with the greatest accuracy is a wonderful achievement. We had two pupils in the top five and many more in the top twenty. A great team effort and one that everyone should be proud of.

Have a good weekend

John Logue

Break up for Easter Holiday Thursday 29 March 2018, 3.30pm

Back to School on Tuesday 17 April 2018, 8.55am

The rearranged visit takes place on Tuesday 20 March. Please remember the early start, the late return and a packed lunch!

The Year 6 Booster Club will be held on Wednesday for next week only due to the Eureka Visit on Tuesday. Back to normal on Tuesday the following week.

There is still chance to book a slot to come in and see your child's teacher to check on progress and how they are getting on. We do aim to see every family so we will be trying to catch up with anyone that has not been able to make it this next coming week.

Active Coast and Country are running Junior Netball Camps for girls and boys 8-14 years in Scarborough Sports Village on Wednesdays 4 and 11 April, 1pm – 5pm. For more details phone 01723 232552 or have a look at the poster on the notice board in the playground. Booking essential.

Coming soon – **Brompton Ducklings**, a friendly and welcoming toddler group for children aged 0 – 5 years and their carers. They will meet in Brompton Village Hall on Tuesday mornings 9.30 – 11.30, term time only, starting on Tuesday 17 April 2018. You will be made very welcome. Little ones can play in a safe warm environment with plenty of toys and books while carers can enjoy a bit of adult conversation too! Healthy snack provided and lots of opportunities for crafts and songs with stories too. To raise awareness there is a Coffee Morning on Tuesday 10 April from 10 – 11.30am in the Village Hall so you can find out more and help raise funds to support this fun group. E-mail: Ruth Heron on ruthheron@yahoo.com

The possibility of creating a playground in Brompton is being explored by the Parish Council. Your views and ideas on this proposal as to style and location would be welcome. Please ring Emma Steele on 01723 850651.

Theresa Hargreaves is organising TAPPING IN TO FEELING GOOD

Di from The Healing Touch (Staintondale) will share some 'Feel Good' Techniques including Tapping (Emotional Freedom Technique) at Sawdon Village Hall, Monday 26 March 2018, at 6pm. Di has successfully helped children & adults to release worries, anxiety, fear and blocks to feeling good. Come and learn how this simple technique can be a fabulous tool for health and well-being.

This is a free event however donations to St Martin's Children's Hospice will be welcomed and there will be a raffle.

Food will be available to buy too - so no need to worry about getting tea ready!! This will be a great session for anyone who struggles a bit with anxiety, or just daily worries.
