Dear Families and Friends,

Friday again!

I think it is only fair to let some photos within the newsletter share the events of this week. A wonderful trip out to the North York Moors Railway for Class 3, exciting from start to finish, with guest appearances from an old lady and a Hogwarts prefect!

A trip to Sawdon Spinney to plant seeds by gardening club, an archaeological dig and a visit to school by the Innovation Music band this morning, an opportunity to sing and play musical instruments in an instant – a very exciting week!

Can I also remind everyone that the playground is staffed from 8.40 each day and we can't be responsible for children dropped off prior to this time. Out of school care is available if needed – if you could phone to check availability it would be appreciated. Have a good weekend

Gardening ...

Our budding gardeners spent time preparing the ground and planting seeds at Sawdon Spinney, ready for the next stage of its development! We look forward to seeing the results over the next few months.

Innovation Music ...

We may have a few budding musicians in our midst! A great time was had by the whole school as they were entertained by Innovation Music and had the chance to be the part of the band and have a go with a variety of instruments!

Headlice

Thank you for your co-operation in dealing with headlice, if you could remain vigilant that would be greatly appreciated as they can be very persistent!

Upcoming Events ...

Brompton Wildlife Conservation Event – 29 September at Brompton by Sawdon Village Hall 1-5pm

Messy Church at Hutton Buscel Village Hall – Saturday 6 October, 4-5.30pm
