Brompton Hall or Village Hall if  
wet.)

### Future Dates

**Friday 26 October 3.30pm**  
Break Up for Half Term Holiday

**Tuesday 6 November**  
Back to School

Dear Families and Friends,

Yesterday, Class Three enjoyed a great trip out to be part of Scarborough Engineering week. Lots of interesting ideas to inspire interest in many career pathways for the future.

From GCHQ, a JCB simulator, local engineering companies to a planet watch from Hull University, there really was so much to see.

In school, there has been some great work in each class and after the first few weeks of the school year it is rewarding to see the learning that is evident and the enjoyment in lessons.

I hope you can join us next Friday for our Harvest Festival in the church and if you can support The Rainbow Centre with your usual donations of non-perishable foods and goods that will make a difference to people locally.

Finally, you may have noticed that our final countryside quiz is now in many local newsagents, butchers etc. If you can think of anywhere that does not currently have copies to sell, and would be a good opportunity to add to our fundraising effort then please let me know. Previous winners have come from as far away as Elgin, so it is good to know that the school is promoted across the UK!

As always, I would like to thank Elaine Mudd for such an amazing effort in her tireless work in raising funds for the school. It is truly appreciated by everyone in school.

Have a good weekend and Good Luck to the Girls Football Team playing at Bramcote tomorrow!

**John Logue – Headteacher**

What have we been doing this week?

*Class 3 getting to grips with engineering technology*

*Class 2 using their drama skills to re-enact the story of Adam taking the apple from Eve*

*Class 1 have been working very hard at home making things that represent the body including a head made out of a pumpkin complete with brain and a working stomach that eats vegetables and fruit!*
