Parents Evenings

Dear Families and Friends

Many thanks for your generosity and support of our Harvest Festival today. It was great to see so many of you in church and I hope you enjoyed the contributions of every class too.

For nearly every child this has been our second visit to church this week as we enjoyed an afternoon of workshops to celebrate the harvest in a variety of ways. The children really did get a lot out of it and I would like to thank everyone who helped to make this such a great learning experience in the run up to our celebration today.

Don't forget we have individual photographs being taken next Friday morning and from next week you can sign up for parents evenings which will take place after half term. This is a great opportunity to see some of the fantastic work being done in school and once again we hope that we can meet 100% of our parents in order to share the progress and successes of your children.

Have a good weekend

John Logue - Headteacher

School Photos

School Photos by Tempest Photography will take place on **Friday 26 October**, if you wish for younger siblings to be included please bring them into school from 8.40am.

Shoe box appeal

As we are approaching the end of the first half term could you please let the School Office know if your child either wishes to start or stop having milk. Milk costs £1.25 per week per child and payments will be set up on ParentPay once we know whether your child/ren wishes to have milk. For those children in reception class, milk is free until they reach their 5th birthday.

A fantastic fundraising effort!
