Dear Families and Friends,

Thank you so much for all your support this term. It has been incredibly productive and there has been lots of positive change that is allowing the school to be at its best, even through this transitional phase.

Next term, we welcome Mrs Harlow to Class 3 in the mornings, delivering English and maths. This will allow me more time to impact on improving the whole school and also get to speak to you, as parents/carers, more regularly. For instance, during the next term, I will hold a parent/carer forum in the Village Hall, where you are able to put forward suggestions and opinions of your child's school. This would also include stating aspects you are pleased about with the school and why you have chosen us and would recommend us to other parents/carers.

Class 3 will also benefit from another new face. Miss Groombridge, a final year student teacher, will be coming on her final teaching placement to teach Class 3 alongside myself and Mrs Harlow in mid-January. This will allow the students in this class an even greater adult:child ratio, as well as the experience of the most up-to-date teaching methods.

Thank you (again) to all the people that have volunteered to help the Friends of Brompton School. We will formalise arrangements for this group in the new year. There are plans already in place to hold a Valentine's Disco at the end of next half-term!

This is understandably a busy and expensive time of year, however, once the Christmas period has concluded, I would be very grateful if you could access your ParentPay account, settling any balances and providing permission for your child to go swimming next term (Class 1 & 2 students) only. Swimming sessions for the two younger classes begin on the first Thursday of term, hence the need for permission soon.

Finally, can I remind you that Monday 6<sup>th</sup> January is a training day. Students should return to school on **Tuesday 7<sup>th</sup> January 2020**. Also, in the first week back, we are holding our Open Evening on Thursday 7<sup>th</sup> January. If you or someone you know is interested in coming to our school, please do come along to see all the wonderful work we do – we want to encourage as many people as possible to join our great school.

Enjoy your weekend,
