Interim Headteacher: Mr O Cooper

Dear Families and Friends,

Happy New Year and welcome back to Brompton! It feels great to be back into our school, which is *buzzing* with enthusiasm now that children (and staff!) are refreshed after their breaks and are keen to engage with all their new topics and learning.

We welcome Mrs Harlow to our team this term (although she has worked with the school and, especially, Class 3 in the past). She will become a familiar face during the rest of the year, whilst she shares my teaching commitment of Class 3. I know many of you have been pleased to welcome her to the school already.

Class 1 and 2 began their swimming sessions this week. These sessions are not offered at every school, especially in every year group in a school and in Key Stage 1, however, we feel that the safety and skills that are taught at Pickering Pool are extremely important and we want to secure the long-term commitment to delivering these lessons. With that said, this requires continued contributions from our parents/carers and I am pleased that the majority of parents/carers have already contributed the full suggested amount – thank you for your support. There is still time for those parents/carers that have not yet fully contributed to provide this, so please log into your ParentPay accounts if you would like to do this.

Thank you to the parents/carers that attended and helped advertise our school Open Evening on Thursday. I was especially grateful and delighted to read the extraordinary amount of unprompted positive comments and reviews of our school on social media. This will encourage other local parents/carers to join our Brompton Family and give people outside our community a true picture and awareness of what a great school we are. I also want to thank our student volunteers, who did a magnificent job showing round our visitors - they are a real credit to our school.

You may have realised that we are now sending our newsletters home electronically. This is in a bid to help reduce paper waste, as suggested by our previous Eco-Club and to save cost to the school. We aim to be completely paperless as soon as possible, so please regularly check your e-mails and Dojo accounts for correspondence. If you would like to continue to request paper copies of any school documents, please get in touch.

Enjoy your weekend,
Mr Cooper (Interim Headteacher)

Monday 13th January

Film Club (3.30pm - 4.30pm)
