Headteacher: Mr John Logue

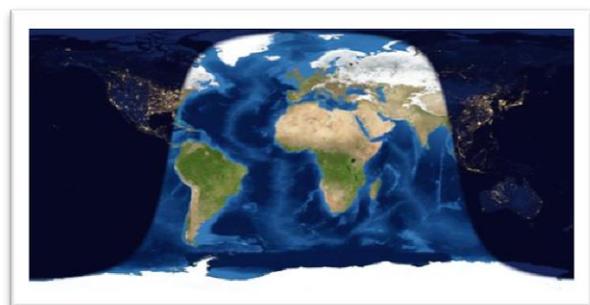

Dear Families and Friends,

What an unseasonably warm week outside, it's strange to think it is still February!

I am delighted to report that attendance to this point of the year is 97.2% a great collective achievement. Many thanks for your help in ensuring we stay above our target.

Class 2 enjoyed the Stardome yesterday and thankfully without the power cut that spoilt the first visit from Hidden Horizons. Lots of exciting Space related conversations were shared and Andy was left suitably impressed by the children in school.

The view
from Space

Together with this newsletter I have attached details about the opportunity to become a school governor. This is a great opportunity to be involved in shaping the future of the school. Details are in the letter and forms attached.

I know many of you are eager to receive the Ofsted report from our recent inspection, this will be available to you on Wednesday 6th March, prior to it being released on the Ofsted website at a later date.

Have an enjoyable half term holiday, hopefully the weather will remain as favourable as it has been this week. I know many of you have some exciting plans for the week, have a great time. I look forward to welcoming everyone back to school on Monday 4th March.

John Logue - Headteacher

Future Dates:

Easter Holidays

School closes on Friday 12 April and reopens on Tuesday 30 April 2019

World Book Day

WORLD
**BOOK
DAY**

We are celebrating this year's World Book Day on **Wednesday 6th March**. This is during the first week after half-term, so we thought you'd like plenty of notice!

Children may dress up as a character from a **BOOK** (not films please, if possible). We are not asking for a donation for this non-uniform day as we will be marking Red Nose Day later in March where we will collect donations. Class 3 has the suggested theme of 'Harry Potter', relating to our previous topic/book, however all children in all classes are free to dress as their own character.

Children are encouraged to bring their favourite book or the book containing the character they are dressed as. During the afternoon, we will be taking part in peer-to-peer reading activities where these books may be used.

Let's say goodbye to Headlice!

We have a few reported cases of headlice within school, please could all families check children's hair and treat as soon as eggs or lice are seen, it is advisable to check and treat the whole family to get rid of the lice effectively. The half term break is the ideal time to eradicate them from school! See the NHS website for useful information: <https://www.nhs.uk/conditions/head-lice-and-nits/>

The Big Battery Hunt

School is taking part in Duracell's Annual Big Battery Hunt. Over 4 million batteries were recycled last year! All pupils have received a battery recycling box and are being encouraged to collect any **old, used** batteries from home. Please return the boxes to school by **Friday 3rd May**. More information on this initiative can be found at:

<https://nationalschoolpartnership.com/initiatives/bigbatteryhunt/>

The poster for the MCSA Church event is framed by a border of colorful handprints in blue, orange, red, green, and purple. At the top center is the MCSA logo, which consists of the letters "MCSA" in a stylized, red, jagged font. Below the logo, the text reads: "The next Messy Church is at HUTTON BUSCEL VILLAGE HALL Saturday 2nd March 2019 4.00pm – 5.30pm". Further down, it says: "Come and join us for NEW crafts, NEW activities FUN party time AND a lovely tea (no charge) TEA SERVED at 4.00pm (don't be late)". At the bottom, it says: "Children please bring a grown up with you".
