Headteacher: Mr John Logue

Dear Families and Friends,

Once again many thanks for such generosity in supporting Comic Relief today, so many different red noses too!

We have started Forest School again this week and the wind brought an opportunity for Class Two to take some of their classroom learning into the forest to test and experiment. As always, keep a note of when Forest School takes place, so your child has suitable footwear and protection from the cold and rain.

I am pleased to inform you that the appointment sheets are now available to sign up for a specified time for parent / teacher meetings. If you can't get into school please do phone and we will be glad to add your name to the night of your preference.

Finally, many thanks for those who have made a conscious decision to change where they park of a morning or afternoon – it has made a difference this week and I know with your continued effort and consideration of others, we will be able to ensure that all children remain safe outside the school gate.

Have a good weekend

John Logue – Headteacher

only

Easter Holidays

School closes on Friday 12 April
and reopens on Tuesday 30 April
2019

Red Nose Day

It's Red Nose Day today in aid of Comic Relief, thank you for all your donations, we raised £48 from your contributions!

School Gate

Please be reminded that the School Gate opens at 8.40am and children should not be dropped off before this time unless they are attending Before School Care when they should be brought into school at the prebooked time.

Forest Schools

The children in Class 1 and 2 had a great start to their Forest School this week. It's been decided to link the two classes again so both will have Forest School together on alternate Tuesdays for the rest of this term, the next one being on Tuesday 26th March.

Before and After School Club

Many of our pupils are attending the Before and After School Care that Mrs Mitchell provides, so we thought it would be nice to share some of the activities that they take part in. There's lots of working together across age groups and amazing creativity!
