Headteacher: Mr John Logue

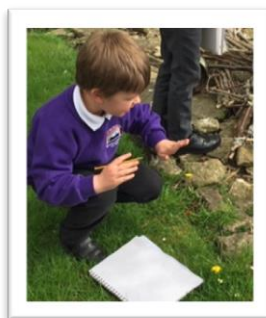

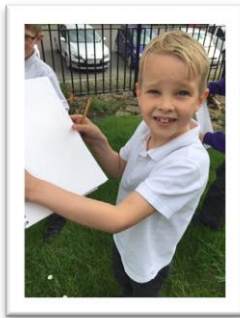

Dear Families and Friends,

It is great to see everyone back after the Easter break well-rested, refreshed and with a smile on their face! We have hit the ground running in all classes and the children are showing the positive attitude to learning that we need throughout this very busy Summer Term!

Class 1 has enjoyed starting to investigate and observe insects as part of their 'Snail Trail' topic;

Class 2 took their learning out into the glorious spring sunshine when investigating food chains, they took great delight in observing how bugs and spiders feed off plants and await the birds to take it a step further.

Class 3 has been making their own parachute designs, to link in with their science focus of forces!

May I also take this opportunity, if you have not heard already through Class Dojo or the separate letter home, to inform that Tuesday's Talent Club was the final session for this club. Next week, on Tuesday 7th May, there will be no clubs due to staff training, however Mrs Wright will be running the after-school provision (please contact the office in good time if you wish to book a place for this). On Tuesday 14th May we will begin our new Tuesday club - Creative Club. All students, regardless of whether they are signed up to Talent Club, must complete a new signing up form as spaces will be limited for this club.

Don't forget that next Monday (6th May) is a Bank Holiday and therefore the school will be closed.

Thank you for a great first week back and your continuing support,

Mr Cooper (Teacher-in-Charge)
