Dear Families and Friends,

We are already halfway through the half-term; it is 'flying by' with these shorter weeks.

However, next week, as I am sure you are aware, Year 2 and Year 6 will be having a busy week taking their end of Key Stage assessments (commonly known as SATs). Students in Years 3, 4 & 5 will also be taking assessments during this time too. Our students have prepared well for these assessments and I believe that they will be in a good position to do their very best and to see how far they have come during their primary school years. With that said, please can you also ensure (as you all normally do!) that your children are well-prepared for these assessments next week by avoiding any late nights; ensuring a healthy breakfast is eaten on a morning and ensuring your children arrive promptly at 8.55am, so assessments can begin on time.

You may have noticed a familiar face/voice in our School Office this week. Mrs Crookes, our admin assistant, is having a routine operation next week and, whilst she recovers, Mrs Allen, our previous admin assistant, is kindly offering to help the school in this vital role - we are extremely grateful!

Enjoy your weekend and thank you for your continuing support.

**Mr Cooper**  
Teacher-in-Charge

### Half Term Holiday

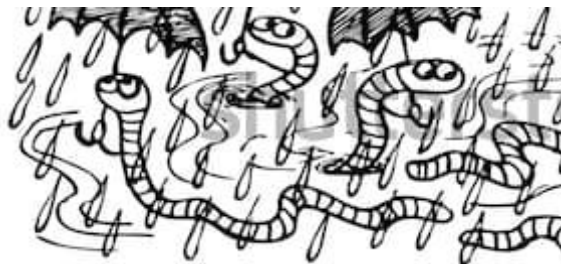

Break up Friday 24<sup>th</sup> May

## Focus on Class 1

Class 1 has spent the week researching what is required for a Wormery. We have filled our jar with layers of sand, soil and vegetable peels - then some big earthworms!

**Question for the week - Where do worms go when it rains?**

## Creative Club

We're looking forward to the first Creative Club starting next week! If your child previously attended Talent Club please remember that their attendance will not automatically transfer and you need to sign them up to Creative Club or After School Club if you require childcare.
