Acting Headteacher: Mr O Cooper

---

Dear Families and Friends,

Welcome back to our final half-term of the academic year! It is always an extremely busy, but enjoyable, time of year. We are looking forward to lots of trips and special events, some of which you can see in the adjacent 'Future Dates' section – please keep an eye on this as the term progresses.

Some of the key upcoming events you may not have been aware of include our Open Evening on Tuesday 25<sup>th</sup> June. This will be an opportunity for you to come speak to your child's current and, if applicable, new class teacher, as well as view some of the wonderful work of children have produced. Class 3 will be displaying their 'mini-Brompton' model buildings as part of their 'Arts Award' exhibition and their work with local artist Jean Harlow (pictures overleaf).

Some of the more imminent events include next week's Year 6 Crucial Crew visit, where the children will learn about emergency services and what to do in the unlikely event they encounter an emergency. We also have, next week, a couple of days where students will be experiencing their new class and teacher. On Wednesday, all the Year 6s will be on their first secondary school transition day, which will mean the current Year 3s will get to spend part of the day in their new class with Mr Cooper! We also will have, on Friday morning, our first transition day for new Reception starters, who will be starting school in September – We have a number of new parents/carers, whom I am sure you will all feel very welcome and help direct.

You may have noticed that the Year 6s have started fundraising for their end of primary school trip to Edinburgh. These entrepreneurial students have already raised some money this week by organising today's non-uniform day (pictures overleaf), selling ice pops at the end of the day and organising a 'Smarties' challenge. (Thank you to all Year 6 parents who have supported these efforts so far!)

Finally, you may have noticed that our front garden now has a new greenhouse (pictures overleaf)! Our gardening clubs and students that work with Mrs Wright on an afternoon will benefit from this new resource – it will provide yet another location for our focus of outdoor learning! A massive thank you must go to Mr Ford, our new governor, who built the greenhouse for us over half-term, including the base, and to Rosemary Forrest, whose charity, Scarborough and Locals Together, donated the greenhouse – we are extremely grateful!

Have a great weekend,

**Mr Cooper**

**Acting Headteacher**

---

8<sup>th</sup> July – Y6 Edinburgh Trip  
12<sup>th</sup> July – Class 2 Visit to The Deep Aquarium

### End of Term

Break up Friday 19<sup>th</sup> July

---

### Class 3 Artist Visit

Class 3 had the wonderful opportunity to work with artist, Jean Harlow, in a workshop where she taught them painting techniques, so they could add detail to their Brompton buildings. These buildings will be completed in the next couple of weeks, so they can be exhibited at the Open Gardens (16<sup>th</sup> June), Open Evening (25<sup>th</sup> June) and over the summer holiday in Woodend Museum! Please come down and see the class' hard work!

### Pyjamarama Reading Day

The whole school enjoyed dressing up in their comfy clothing for Pyjamarama Day! The children got to read 'bedtime' stories and continue their peer reading project, which they started on World Book Day. We even got to read some more books by our local author, Paul Worsley! The event managed to raise an extra £54 for the Year 6 Edinburgh trip fund – thank you for your support!

### New Greenhouse

Our new greenhouse is up-and-running! Our keen gardeners will get their first opportunity to use this new resource next week at their clubs. A big thank you to our new governor, Mr Bill Ford, for building the foundations and greenhouse itself over the half-term break!
