Interim Headteacher: **Mr. O Cooper**

Dear Families and Friends,

Thank you for your brilliant attendance at Parents'/Carers' Evening this week. 100% of you attended the meetings, which shows a fantastic dedication and care for your children's learning. We were pleased to be able to celebrate how far your children have come since September, as well as share how we are going to support your children further.

Thank you to those parents/carers who returned the parental survey following these meetings. We are pleased to announce that the winner of the random prize draw for bringing back their questionnaire was...the Boynton family! We hope your family enjoy your sweets!

This week was our final Forest School session of the term. It is important to allow time for our site to recover and regrow. We are exceptionally grateful to the land owners of the Manor House who allow us to use their grounds as our Forest School site; we are very fortunate to have this on our doorstep to continue our learning outdoors. We aim to resume Forest School sessions again later in the Spring Term – we will keep you all informed. For our final Forest School session, we played games in the forest, as well as lit fires to make hot chocolate!

Whilst you are all Christmas shopping online this year, why not earn funds for The Friends of Brompton School at no extra cost to yourself? I would like to make you aware of EasyFundraising. This website (and app) provides donations to charities and schools with every online purchase you make from participating retailers/suppliers. Simply, when you are online shopping, login to EasyFundraising and choose the shop/supplier you wish to use and the website/app will tell you how much you can earn for the school. It will then direct you to the retailer's website for you to make your purchases! So far, this has allowed the school to raise over £500 for The Friends of Brompton School, which has allowed us to invest in new technology and help fund school visits! You should have received a further response from the Chair of Governors regarding the headteacher appointment. You will also have received a biography of the incoming substantive headteacher, Mr Gareth Robinson. I hope that this information will help address some of your concerns or answer any questions you have about the future of the school. You should also have received a personal response from me, supporting the Governing Body, Mr Robinson and the future of the school. I understand you may have further concerns and I will endeavour to help address any of these with the Governing Body and Mr Robinson over the Spring Term, so that you can be reassured that the character and ethos of the school will remain the same and that the progress the school has made will be built upon in the future.

Looking to the future, I am pleased to say that we will be joined by both Miss Watts and Mrs Sadler next week, as part of their return to work following maternity leave! We have missed them both so much and cannot wait to update them on all the things we have learnt whilst they have been busy with Hope and Theo.

Have a great weekend,

**Mr Cooper (Interim Headteacher)**

## Donate & Decorate Big Tree/ Little Tree Fest

As an alternative to our usual Miniature Christmas Tree Festival we are thinking big this year! Please consider joining in to help make **Brompton Festive**.

We will put up a big tree outside, near the front of Church, and install solar lights. To cover cost and make a small contribution to our Church building please make a donation and either supply a home made decoration or big bauble suitable for outdoor use. You may like to personalise these to fit your organisation, business or family interests.

### 1st December is our target day

We will put up lists of sponsors. Please return a copy of this form by e-mail to [drmaryjones@hotmail.com](mailto:drmaryjones@hotmail.com) if you are able to pay by bank transfer.

### Little Trees

To create a **Festive tree** feel to Brompton, those who live here may like to decorate a small tree either outside their home or in their window?

Or just draw or print a tree on card and put it in the window? That way we shall still be able to have our Christmas Tree Festival.
