Interim Headteacher: Mr. O Cooper

Dear Families and Friends,

We have had a wonderful half-term here at Brompton, full of busy work with new and different faces joining our 'Family'. One new face is Mia in Year 3, who joins Class 2 this week. She has settled in well to her new school and class; she even joined us for our Valentine's Disco – we know she will be very successful and happy here! We also have two new students joining us after half-term in Year 2 and 5 – we are excited to meet them!

The Valentine's Disco was a huge success. Over 40 of our children joined us for a night of dancing, games and party food. A big thank you must go to all the parent/carers volunteers from The Friends of Brompton School (FoBS) who setup and ran the whole event and managed to raise over £100 profit! It is so heartening to know that the school is surrounded by supportive people who have the best interests of our children at heart – like we do in school. FoBS will be running more events/fundraisers soon.

This week, as you are aware, we unfortunately had to close the school due to a power cut which affected the surrounding villages. Whilst I know this will have been an inconvenience for many of you, I do want to thank you all for your flexibility and understanding. I know you all recognise that this closure was completely in the best interests of the children and impossible to predict.

In the unlikely event of future school closures, we will always try to contact parents/carers at the earliest/safest possible time through our text message system and Class Dojo. However, you can also look for school closure status on the Yorkshire Coast Radio website: <https://www.yorkshirecoastradio.com/schools/school-closure-list/>

You may have noticed that we are now adding upcoming events onto our Class Dojo school page. Of course, these will still appear on the newsletter, however, for extra information regarding events like World Book Day or trips, you may want to consider checking your Class Dojo account and ensuring notifications on your devices are activated.

Thank you all for supporting us in what has been another productive half-term! I hope you and your children have a restful and enjoyable week.

School re-opens for students on **Monday 24th February 2020**.

Mr Cooper (Interim Headteacher)
