Interim Headteacher: Mr. O Cooper

Dear Families and Friends,

We have had a productive and entertaining week in school.

On Tuesday, Class 2 and 3 visited Bradford as part of their Interfaith Visit. They were astounded as soon as they entered the city as to the diversity of people and infrastructure – a world away from our rural village!

The children enjoyed learning about other religions, such as Islam and Sikhism, by observing and taking part in some of the practices that followers of these religions enact up to five times a day to worship. The facilitators at all the venues commented on how engaged and well-behaved our pupils were – they are a real credit to the school. Students will now take their learning back into the classroom through their RE sessions they have with Mrs Martin every Monday – a big thank you must go to Mrs Martin who has organised this invaluable trip for our students.

On Friday, we marked World Book Day. The children enjoyed dressing up (or dressing a potato up!) as their favourite character and sharing with their friends, to help promote a positive attitude and love of reading. In the afternoon, the whole school combined to work together on 'Peer Reading' and to listen stories and poetry that had been created and performed by the older pupils.

Next week continues the 'busy' theme, especially for staff! There will be various visitors in school next week, including governors and local advisers – something our students are getting more and more used to; they always show us off in an extremely positive light! Staff, including myself, will also be attending courses for some of the week, to ensure we can continue to bring the newest and best ideas into our children's classrooms. If, for whatever reason, I am not in school, I can be contacted through e-mail or Class Dojo. Alternatively, for urgent matters, Mr Chilcott or Mrs Hargreaves can also be on hand to help.

With such a busy week, what better way to relax and recuperate than with a bit of Yoga – our Yoga Club begins next Tuesday. Staff and students will be attending, practising mindfulness through physical activity – we are looking forward to it.

Finally, please check Class Dojo for information regarding March Maths Month activities being co-ordinated by Mr Chilcott – we really want to develop a positive perception and love of maths!

Enjoy your weekend,

Mr Cooper (Interim Headteacher)

Monday 9th March

Film Club (3.30pm - 4.30pm)

Tuesday 10th March
