Interim Headteacher: Mr. O Cooper

Dear Families and Friends,

It has been a whirlwind of a week for me, personally, as I have been learning new things by attending courses and visiting other schools. It is always positive to share with the children that even the headteacher and other teachers are always learning, even if it means that they are not able to be in school for parts of the week (the place we would always want to be!)

Next week, you can be learners too: we are hosting a Reading Workshop on Thursday 19th March (5.30-6.30pm), where Mr Agar and Mr Chilcott will show you ways to support your child at home with reading. You may have also noticed that we are developing our reading area, making a more inviting and relaxing area for children to read and share their favourite books. Reading, in our opinion, is the foundation for so much of the learning we do in school and is the gateway for our children into almost every subject they experience. So, if you haven't already, please contact the School Office to confirm your attendance at this event. Thank you to those parents/carers that have already responded on the reply form sent earlier in the term.

This Tuesday, we started Yoga Club with Katy Rawnsley from Jumping Jacks Yoga! 20 children of all ages signed up to this club, taking part in team-building games, as well as relaxation techniques and yoga poses! The club will now be going on a 'journey' around the World with Katy's props and yoga teachings! The club is now fully subscribed, however, if you wish to join the waiting list, please contact Mr Cooper.

Finally, can I remind you about the current government advice on Coronavirus. Many of you will have seen my messages earlier in the week regarding the current stance: Any person (adult or child) that has even mild symptoms, such as a 'new, continuous' cough or high temperature, should now self-isolate for 7 days as a precaution.

At this time, UK schools are advised to remain open. However, we have already prepared learning packs and resources for children to access at home. It will be an expectation that learning will continue as much as possible. Teachers have also been busy preparing learning activities that they can share via ClassDojo each day of a school closure, should we have to shut. This is a common approach that schools are taking. Please can you ensure that you have access to your ClassDojo account, to make this feasible. Please contact School should you need help with this. Thank you for your support.

Enjoy your weekend,
Mr Cooper (Interim Headteacher)

Monday 16th March

Film Club (3.30pm - 4.30pm)
