Headteacher: Mr John Logue

Dear Families and Friends,

Well done Georgina and Olivia, two of our year five pupils who were voted by their classmates to be Junior Road Safety officers. Their role will be in raising awareness of keeping us all safe on the school run and to help everyone become aware of the responsibilities we all share in ensuring we remain safe.

Their first job was to host a Road Safety afternoon with support from The North Yorkshire Road Safety team.

One of the first things that most children noted was just how busy it can get on rainy or cold mornings around the school gate. Can I urge everyone to be a little more courteous when dropping off or parking and plan to walk that extra minute away from the school. It will make it safer for every child, including your own, if we can have the area around the school gates clear and traffic free. I know some of you make use of the car park at Brompton Forge or choose to park in front of the school and walk from there. I thank you in advance for making the school run a safe one and for your help in keeping our children safe, but please do keep this area clear.

I look forward to seeing those who can make it to the bouncy castle 'fun' session at the Scarborough Sports Village tomorrow, if you have not been there yet take the opportunity to have a look around it is a fantastic facility and parking is free and plentiful!

Have a good weekend.

Mr Logue

Please ensure each piece of your child's uniform has their name in it. We have lots of jumpers and cardigans left in the playground each break and we sometimes struggle to work out who they belong to unless your child recognises the fabric softener used! Any not claimed are put in lost and found so please have a look in the box in the Assembly Area if you are missing anything.
