Dear Families and Friends,

Great to hear so many stories about the cycling last weekend, it has really served as an inspiration to so many children at school.

As you may recall a few weeks ago we held a 'Maths-a-thon' in school for class two and three. The money collected by NSPCC was an incredible £220 – thank you for all of your support in helping this charity. They have promised to return in person to thank everyone in school as they were amazed at the efforts of the children and wanted to thank them personally.

As you will be aware next week will see our oldest children sitting their end of year tests. (SATs) Starting on Monday, our Year Six children will be encouraged to arrive at school on time and to be as calm and relaxed in their approach to the week.

I would certainly encourage you to be as positive in your support of them as you can be, and try to alleviate any anxieties or fears as we have tried to do at school. A good sleep and a healthy breakfast are highly beneficial to them being able to do their best each day.

Whilst Year Six are busy, we will also be using the upcoming weeks to assess the progress of children in other year groups too. With lots more planned for the summer term, there is much to look forward to.

Good luck to all our children, and let us all encourage them to simply try their best, as they all do this each and every day at school.

Have a good weekend  
John Logue
