Dear Families and Friends,

I had intended this newsletter to have photos of our pupils at Peat Rigg filling this page. Having spent time with them this week I felt it would not do justice to their experience and the pride everyone has in them.

There have been so many times, in the past few days, when all the things we seek to encourage in school became a reality.

I have seen such amazing examples of independence, challenge, team working, resilience, initiative, enthusiasm and having a 'CAN DO' and positive attitude – I celebrate this, and I hope you will too in upcoming days as families.

The things I have seen, really do show exactly what we stand for as a school. As a parent you will see your child return with many stories, be proud that they have really challenged themselves to the limit and please delight in the fact that they have really embraced every single challenge that was set.

I would also wish to share my thanks to every member of staff who has given of their time to make this happen. Their dedication towards your children has enabled your children to experience this week is above and beyond expectations.

Wishing Everyone a restful half term, but for returning Peat Rigg Children- please enjoy the sleep you have missed. You have been the school ambassadors that we expect from everyone in school. You have made us proud of all of your achievements this week.

Have a good half term everyone
